Rick Fowler  
Community College Foundation  
1901 Royal Oaks Dr  
Sacramento, CA 95815

Dear Mr. Fowler:

Thank you for your contribution and participation in the 11<sup>th</sup> Annual Public Safety & Community Appreciation Breakfast. It was a great success with more than 530 public safety officials, officers, civic leaders, business and community members in attendance!

Each year, public safety and community members come together to show appreciation for each other's contribution to the safety of our region. The addition of guest MC Lynsey Paulo of KCRA brought professional expertise, light hearted humor as well as a renewed vigor to this year's event. Highlights of the 11<sup>th</sup> annual breakfast include:

Keynote speaker, Stephen M. Daley of radKIDS, Inc. who inspired us all with his success in working with kids, schools, parents, law enforcement and the community to empower kids to defend themselves from attacks, attempted abductions and bullying.

The "Service Above Self" Award was presented by the Sacramento Rotary honoring Sacramento Sheriff's Detective Joseph Helfrick for going above-and-beyond the call of duty in his service to the community. The "Community Spirit" Award was presented to citizens Bruce and Lori Smith for their volunteerism and partnership with public safety to help keep our region safe.

The St. Paul Missionary Baptist Church Choir provided musical talent throughout the morning, including a beautiful rendition of our national anthem.

This special event would not have been possible without your support. We thank you again for helping to make this year's breakfast a memorable occasion for all who attended.

Sincerely,

  
JAN SCULLY  
DISTRICT ATTORNEY

*Thank you!*
